The energy efficiency rating is a measure of the overall efficiency of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

The environmental impact rating is a measure of a home's impact on the environment in terms of carbon dioxide (CO₂) emissions. The higher the rating the less impact it has on the environment.

INFORMATION FOR TENANTS

After an offer is accepted by the Landlord, which is subject to contract and acceptable references, the first rent and a deposit are payable in advance. Any rent advertised is pure rent.
